skills, and construction schools. (C)

Retain item 3 b (6), p. 42

Czechoslovakia

Add item 4 g, p.47

The construction industry in 1954-55 was beset with various
troubles, reflected in poor plan performance. How is this
problem being attacked? Is there currently an increase in
house construction? (S)

Add item 4 h, p.47

Czechoslovakia is recently reported to have stepped up plant and
equipment export negotiations with non-bloc countries (e.g. Egypt
and India). Information is desired on these and related activities. (S)

East Germany

Add to item 3 a, p.50

The shortage of housing, as well as the food shortage, is reported
to be a major cause of public discontent. Information is desired
on the extent of the housing shortage and any plans for increased
investment in housing to alleviate the shortage. (U)

Inadequate housing facilities for workers at construction sites is
reported to be a major cause of low morale, rapid labor turnover,
and low productivity in the construction labor force. Continuing
